The vanity area consists of a light-colored, floating vanity unit with two shelves. The top shelf holds a white, oval-shaped sink with a modern faucet. To the left of the sink, there is a decorative arrangement including a green vase with foliage, a glass jar, and a stack of books. A round, gold-framed mirror is mounted on the wall above the sink. Below the vanity, a stack of three white towels is neatly folded on the lower shelf.

A small, light-colored floating shelf is mounted on the wall to the right of the vanity. It holds several bathroom essentials, including a tube of toothpaste, a bottle of hand soap, and a bottle of body lotion.

A large, white, freestanding bathtub is positioned in the lower right corner of the room. It has a modern, curved design and a chrome faucet. The bathtub is set against a plain, light-colored wall.

A window on the right wall provides a view of green foliage outside. A small potted plant sits on the windowsill, adding a touch of nature to the space.

A small, round, upholstered stool is placed on the floor in the lower left corner of the room. It has a simple, modern design with a light-colored fabric cover.

Two modern pendant lights with black and gold accents hang from the ceiling. The ceiling also features two recessed circular lights. The wall behind the vanity is covered in large, grey, marble-patterned tiles.
